

Balanced Scorecard

Kaplan & Norton

DEFINITION

Performance viewed through four linked perspectives, not finance alone.

KEY POINTS

- Financial, Customer, Internal Process, Learning & Growth
- Links strategy to measurable objectives in each
- Learning drives process, which drives customer, which drives financial
- Use to translate strategy into a measurement system

REFERENCE

Kaplan, R.S. and Norton, D.P. (1996) *The Balanced Scorecard*. Boston: Harvard Business School Press.
