

# TOE Framework

Tornatzky & Fleischer

## DEFINITION

**Adoption is shaped by three contexts: Technological, Organisational, Environmental.**

## KEY POINTS

- Technological: the innovation's characteristics and fit
- Organisational: size, structure, slack, managerial support
- Environmental: industry, competitors, regulation
- Use for firm-level (not individual) adoption questions

## REFERENCE

Tornatzky, L.G. and Fleischer, M. (1990) *The Processes of Technological Innovation*. Lexington: Lexington Books.
