

# Review of Literature / Background

~1,000 words

## DEFINITION

**Synthesise the contributions of accredited scholars and show how your research extends them.**

## KEY POINTS

- Synthesise, don't summarise source by source
- Show what is known and what is missing
- State the contribution you intend to make
- Cite in full Harvard style

## REFERENCE

Hart, C. (2018) *Doing a Literature Review*. 2nd edn. London: SAGE.
