

Selected Bibliography

no more than 20, full citations

DEFINITION

A representative list of your main sources — no more than twenty, in full Harvard format.

KEY POINTS

- Peer-reviewed and seminal sources first
- Full citations, not partial references
- Quality over quantity at proposal stage
- Verify each source against the original

REFERENCE

Pears, R. and Shields, G. (2019) *Cite Them Right*. 11th edn. London: Red Globe Press.
